

Department of Geography's Speaker Series

Did the Polls Really Get the 2016 Presidential Election Wrong?: The Past, Present and Future of Survey Research in the United States

APRIL 17
2018

2:00 PM-3:15 PM
UNIVERSITY OF MIAMI
1300 Campo Sano, 250

PRESENTED BY

Dr. David Dutwin

Dr. David Dutwin is Senior Fellow and Lecturer at the Program for Opinion Research and Election Studies at the University of Pennsylvania.

He is the Executive Vice President and Chief Methodologist of SSRS, a major social science research firm that currently conducts all the polls for CNN and has done polling for CBS, The New York Times, and the Pew Research Center, among many others.

Dr. Dutwin is the current President-Elect of the American Association for Public Opinion Research.
